Chimneys & Lights

Instructions: Start at "1." Roll a die and move forward the same number of spaces as the number you roll. Landing on a green number allows you to climb up the strand of lights. Landing on a red number forces you to fall down the chimney. The goal is to be the first player to reach "100." Along the way, you will encounter the Centers' faculty and staff who will guide you through our entrepreneurship learning outcomes on the road to competency. We hope you have fun and learn simultaneously!
